

ESHP4L

M8 x 1 / Ø 8 mm round connector – Ø 8 mm Flange Connector, Snap-on Type

Features

- Robust and pre-assembled flange connector
- 4-pin
- Potted, protection class IP67
- GOST-R-approved
- RoHS-compliant
- Solder contact

Contact assignment

Technical data

Type	ESHP4L
ID	6934776
Connector A	Male, Ø 8 mm
Number of pins	4
Contacts	Metal, CuZn, Gold-plated
Contact carriers	Plastic, PA, Transparent
Flange housing	Brass, CuZn, Nickel-plated
Connection mode	Solder contact
Mechanical lifespan	> 100 Mating cycles
Pollution degree	3/2
Protection class	IP67, (plugged)
Rated voltage	30 V
Current	4 A
Insulation resistance	$\geq 10^9 \Omega$
Ambient temperature (fixed)	-30...+90 °C
